

WHAT YOU SHOULD DO **IF A POLICE OFFICER** **STOPS YOU** **WHILE DRIVING**

Yield to the right and stop you vehicle as far away from the moving lane of traffic as possible

Turn on your emergency flashers

Remain inside your vehicle to not subject yourself to the dangers of traffic

Keep your seat belt fastened until the officer has seen you wearing it

If it is dark outside, turn on you interior light

Attempt to stay relaxed. Keep your hands in plain view, preferably holding the top of the steering wheel

Ask your passengers to place their hands in plain view such as on their laps

Roll down your window all the way so you and the officer can communicate

Wait to obtain your driver's license and proof of insurance until the officer requests this information
