Every Trip. Every Time.

Thanksgiving holiday is the most traveled period of the entire year and is also one of the deadliest. Last year drunk driving killed more than 16,000 people and accounted for more than 39% of all motor vehicle deaths. Also half of the 31,415 people who died in traffic crashes last year were not wearing their seat belts. Please be safe, be smart and have a wonderful time with your families and friends this thanksgiving!!!
